

This year, Beat Knoblauch attended the CSA Meeting & OSA Congress. As earlier in March this year, progress on e-voting, Swiss community website, a law for Swiss Abroad and the further reduction of consular services were the hot topics.

The Council dealt mainly with the following items:

- Electronic voting was much discussed for the coming Federal Parliamentary Elections: four [4] Cantons will offer electronic voting possibility to the Swiss Abroad: Basel-Stadt, St. Gallen, Graubünden und Aargau, i.e. for about 22,000 registered voters. The balance of Swiss Cantons should be ready between now and 2015 for e-voting. Swiss nationals are encouraged to take advantage of their right to vote and elect in Switzerland. Registered Swiss voters abroad (120,000) number about the same as the Canton Graubünden!
- There is a website platform www.swisscommunity.org : since its creation in late 2010, already close to 9,000 members have registered, which signifies a resounding success. Those who registered from Australia make up 5% of the total, which is a high proportion. There is a special blog on the Federal Parliamentary Elections via www.swisscommunity.org
- 420,000 of the approximate 700,000 Swiss living outside Switzerland are residing in EU countries. They benefit greatly from the right of "free movement" within the EU and Switzerland. A motion was passed to safeguard the right of "free movement" [EU-CH]. The motion has been passed on to the Swiss Parliamentarians.
- The Swiss Parliament has accepted an initiative by a Parliamentarian to prepare a law concerning the Swiss Abroad. According to the Swiss Constitution, the Federal Government is to take care and regulate the relationship with the Swiss Abroad. The ASO will be consulted in this matter.

• The Federal Department of Foreign Affairs will be in future the coordinating centre for all matters regarding the Swiss Abroad, making it easier for the Swiss Abroad to have one contact point.

• On various occasions the reduction of Swiss Diplomatic and Consular staff outside Switzerland was criticized. The government representative took note, but also mentioned that new Consular Districts have recently been opened in "new markets".

• The highlight of the Congress was an address by Mrs. Doris Leuthard, Federal Councillor. She stressed the importance of the Swiss Abroad as ambassadors for Switzerland and thanked for the continued support the Swiss Abroad are giving. In her speech she also stressed current difficulties experienced by some Swiss industry sectors due to the high value of the Swiss Franc.

The next meeting of the Council of the Swiss Abroad is to be held on 24/03/2012 in Berne, and the next Congress will be held in Lausanne, 19-22 August 2012.

Editorial. FYSA Summer Camp 2011

This year, the Foundation for Young Swiss Abroad organized a Summer Camp in Schoenried in the Berner Oberland, which was very well received by the participants and parents alike.

The Foundation for Young Swiss Abroad (FYSA) organises several camps each year for young Swiss living abroad. Speaking to one of the mothers here in Australia who sent their two children to Schoenried this year, I received the best feedback saying, she can recommend this program to anybody. Here is what she likes to share with our readers:

«In the recent July school holidays, our children attended one of the SJAS (Stiftung fuer junge Auslandschweizer) summer camps held in Switzerland.

The 28 children at the camp shared a similar background, being children of Swiss expats, and were similarly aged from 11 - 14 years, but came from a diverse range of countries; from South Africa to Bolivia, Thailand, Lebanon, Europe and of course, Australia and many more places.

The children spent two action-packed weeks being led on adventures by a small group of young, energetic and incredibly patient leaders. They also had some free time where they got up to all sorts of fun and mischief within the safe and friendly environment provided by the camp.

We look back with fond memories of our participation in the Swiss Yodelling Festival last June. Not only was our performance of the song 'Chüerglüt' very well received by the jury, over this extended weekend, we could also fully enjoy the 'wall-to-wall' yodelling experiences in Interlaken. The remainder of this year will see us perform at a range of venues, culminating on 27 November with Sunday entertainment for the elderly residents of the Tabulam & Templer and Martin Luther Homes, together with the Companion Singers and the Swiss Folk Dance Group Alpenrose.

We wish all our friends and supporters an enjoyable Festive Season and a prosperous New Year.

The group had a break from practising and performing for a few months, as most of the members took an extended holiday. At the end of November, we will visit nursing homes for an early Christmas concert together with the Companion Singers and the Matterhorn Jodlers.

At the beginning of December, we will perform at the Swiss seniors Christmas afternoon party at the Swiss Club.

We always welcome enquiries from prospective new members for the group.

On behalf of the group, I wish you all the very best for the Festive Season and good health for 2012.

The members in their Swiss costumes welcomed seniors to the Kaffeeklatsch at the Swiss Club. The special buffet for afternoon tea was well appreciated by

Not only did the children learn more about Switzerland and made friends from around the world, but they also got to enjoy some of the freedom of childhood which are often no longer available to them growing up in an Australian city.

Our children tell us they had the time of their lives. They now use the internet to remain in contact with their camp friends, but the fond memories of the camp will stay with them forever.

We can only recommend these camps to other Swiss abroad.»

FYSA organizes several summer and winter camps each year. Applications are open to all Swiss children residing abroad for which the child (or at least 1 parent) must be a Swiss citizen. The age limit depends on the program but are anywhere from 8 to 16 years.

Dear Readers

We had wonderful National Day celebrations, the Ball was enjoyed by everyone that attended with an appearance by the Yodellers and Alphorn Blowers. The bonfire drew a great crowd with the children enjoying the wonders of the bonfire and the lamps. Entertainment was again provided by the Alphorn Blowers. Our annual spring walk was at Bickley Dam and over 50 people weathered the cloudy conditions and joined us for the walk to Victoria Dam. Fortunately the weather cleared later and everyone was able to stay back for a BBQ or picnic.

End of October we had the annual picnic at our property in Gidgegannup and many members and non-members came along and had an entertaining afternoon doing the “Stein Stosse” (rock throwing) and the other games that were organised.

Last weekend (12 Nov) we had our inaugural movie night where the classic Swiss Movie “Nordwand” (North Face) was screened. People were treated to

a hearty meal of Wiener sausages and potato salad before the screening. The children were amused with a movie in an adjoining room. Again, all attendees had a great night and this event will surely feature again in the future.

Our next event is the Samichlaus on Sunday the 4th of December. We are back at Perry Lakes and hope to welcome many children – Cervelat and Bratwurst as well as the favourite “Nussgipfel” will be for sale. For further information, please refer to our website.

What is left is to wish all our readers and their families and friends a Merry Christmas and a healthy and adventurous 2012.

The Yodler's Swiss National day celebrations was held at Castle Hill Showground once more. A larger area, with undercover seating for over 900 visitors and plenty of standing rooms proved to be very successful, together with an enormous outdoor picnic area. An increase in the number of stalls selling Swiss products and children's attractions added to the ambience.

The weather was not quite as warm as last year, but this did not deter people from turning up in great numbers.

Both Swiss and their Australian friends gathered to commemorate Switzerland's National Day. The Consul General of Switzerland, Mr. Markus Meli welcomed everyone on the day.

It turned out to be a true day of friendship with many happy faces all round. A special thanks to my fellow yodlers, the alphon players, folkdance group "Alpegruess", "Swiss Rösti Clique" (pipes and drums), Sigi Achermann's + his Zuger Oergeli and the dance music band, Tyrolean Echoes made sure there was never a dull moment in the hall. For the Schwingen (Swiss wrestling) demonstration, also a very big thank you.

It goes without saying that this event would be impossible to hold without the support of the sponsors and volunteers.

To round off a successful year, we look forward to singing at the Swiss seniors Christmas function.

The Club has held a number of events for members, associates and friends. The ride on the Valley Rattler Steam train in June was popular. The journey went from Gympie through the picturesque Mary Valley to Imbil where there was a break long enough to have lunch at the Railway Hotel. The trip back to Gympie again offered many opportunities to take lots of photographs.

In early October, on a sunny and warm day, the group went on a lunch cruise aboard the "Noosa Queen" and spent a few enjoyable and relaxing hours on the beautiful Noosa River.

The Committee is now busy organising the Christmas dinner scheduled for 3 December 2011, details will be on the website.

Our regular monthly "Ladies Lunch" on the first Friday of every month continues to be popular, with the ladies meeting at a different venue every month to catch up and have a chat. Details are placed on our website and sent via direct email.

We invite all Sunshine Coast Swiss, their families and friends to join us for these fun events, to enjoy good company, keep in touch with old mates and make new friends!

Please ring or email Hanni or Walter if you like to have a chat and find out more, we are happy to help.
