Taranaki Swiss Club

The Taranaki Swiss Social Club Inc. was formed in 1952 to conserve, promote and advance the cultural standard of citizens of Swiss blood living within New Zealand. In 1981 our Club house in Kaponga was officially opened and we are thankful that our members had the foresight and determination to build such a beautiful hall.

Our 300+ members enjoy a variety of activities including shooting, keglen, jassen, fondue evening, pork and sauerkraut evening, National Day celebration and our very popular annual picnic. (held on February 8 this year).

Hamilton Swiss Club

The Hamilton Swiss Club was founded in 1956 and still continues to flourish with a wide and varied membership consisting of families who live in towns, cities or on farms. Our total membership being about 140 families - some are very recent immigrants with young children and some have lived here for 50 years and more and are now in their eighties or nineties.

Our committee consists of 10 very dedicated workers and each year we endeavour to put on a variety of functions. In February we hold our 50 metre medal shooting competition and our annual picnic, which is our biggest function, expecting about 300 people. There are many more functions throughout the year which we will inform about in due time.

Wellington Swiss Club

Many Swiss tradespeople came to Wellington in the middle of the 20th century. Some knew each other from Switzerland, some had met on the ship that brought them here. It was a six weeks journey to get there. In 1957 they founded the Wellington Swiss Club. In 2000 we acquired the clubhouse in Wainuiomata, a valley close to Wellington.

Since then, second and third generation descendants have joined the club. We also have many young families, often composed of a Swiss parent

Samichlaus function in New Zealand

who arrived in New Zealand in the last 10 years, a Kiwi spouse, and Swiss-Kiwi children.

Our members have done some great maintenance work on the clubhouse, and even built a bowling alley, so that we can practice to compete in the NZ Swiss Society annual Cowbell competition

Auckland Swiss Club

We are 150 family- and individual members in the club. We are a healthy mix of all age groups, and are particularly happy that we have many young individuals and families. Our young committee does a great job catering for everyone's needs. Many of us have non Swiss partners, some are second generation Kiwis. Our official language is English, although of course we yap in

a Swiss language as long as everyone around understands it.

Since 1967 we have been proud owners of the 'Swiss Farm' in Kaukapakapa, where many of our events and all of the shooting take place. The farm is even available for individual members to spend the weekend.

Much has been planned for the year - walks including three days in the Coromandel in March, picnic and games, films, fondue, regular pub nights, Kaffeekraenzli, Rollerblading, the yearly National Day celebration and Christmas Carol singing. Santa's spectacular visit has proven a highlight for many children and grownups. The Swiss Market Day in May is a MUST. You may also want to participate in some of our groups - Shooters, Yodlers, Jassen, Ladie's singers.

Another year with many well attended events has passed. The year ended with the Swiss Club choir “Cremeschnittechoerli” singing at the Kangara Retirement Village and Santa visiting the children. Singing at the village was most enjoyable for both,

the residents and the singers. Santa was pleased to see so many children.

On the 7th of November the Club had its AGM. After 10 years the president Heinz Buettikofer decided not to stand for election again. Thank you Heinz and congratulations to 10 successful years! All the 34 participants fit on the veranda so no worries about the heavy rain on Saturday. The 12 people staying over night just used the 2 big wattertight tents, the “Guesthouse” and found a bed in the house or one on the veranda.

It was really a relaxing weekend – thank you for the great hospitality! We will come again
